64th Independence Day

[illegible]

Our heartfelt greetings to

THE STATE OF ISRAEL

on the occasion of its 64th Independence Day

From the IGLESIA NI CRISTO

[illegible]

So you think you know **Israel?**

Israel is an old-new country, small in size, but with a culturally active, heterogeneous population. Four thousand years of Jewish heritage and more than half a century of modern statehood have contributed to a culture which has already created an identity of its own, while preserving the uniqueness of 70 different communities.
